Dear Brothers and Sisters,

Greetings in the Lord in the beginning of both Western and Chinese new year!

Last week we just finished our three major meetings, Winter Conference, Discipleship Training Camp, and Bible Camp. It was challenging, exhausting, but worthwhile. Thus, this prayer letter is a little late.

WINTER CONFERENCE: Around 2000 people attended the Conference, a record-breaking number. Thank God for so many people who are hungry for the Word of God. There are also many people who have the burden of the salvation of unbelievers. To feed spiritually and to feed physically 2000 people was not an easy job. With many prayers and with grace from above, God blessed the Conference with many wonderful fruits. We thank God for sending many short-term mission teams to work with us. They served not only in evangelism but also in music, in the kitchen, in the nursery, and many other areas. Many brothers and sisters were lifted up spiritually. Close to 400 nonbelievers came to the Conference. Thank God, around 100 people decided to accept Jesus as their personal Savior. Please pray for the follow-up work in different campuses, so these young Christians will keep growing in Him.

DISCIPLESHIP TRAINING: About 200 brothers and sisters came for the Discipleship Training Camp immediately following the Winter Conference. This number is almost the double the previous record. Some campuses sent over ten brothers and sisters for the Training Camp. Many of them drove 10 to 15 hours to the Center. It was great to see brothers and sisters come as a team to equip themselves to follow Christ and to serve Him. With such a team to go back to their home church, we pray that they will impact their churches and their campuses to fire up for the Lord. The Center was full of people. It was also full of the blessings of God. Many people were encouraged from the messages in the camp. Their hearts were open to God. Pray that God will use these brothers and sisters for His glory.

BIBLE CAMP: After four months of study and preparation for the Bible Camp, more than 80 people joined the camp to study the Books of Exile and Return. Through these books, we can know the revival work of God and how to team together to serve Him in one mind.

Seeing so many people who are willing to study the Word of God and learning to be disciples of Christ, we know that God has a special plan for the Chinese people. Not only did He bring so many people to His kingdom, but also He is preparing people to serve Him in the near future and in the whole world before Jesus' return to the earth. Please keep praying for the campus ministry in the

Midwest and other places. Please pray for the coworkers of the CWC. The field is becoming much bigger, but our CWC coworkers still remain the same numbers for years.

SPRING GOSPEL CAMP: Although currently winter is with us, after a few weeks spring break will come and with it Gospel camp from March 16 to 19. We are now preparing for the Gospel Camp. Now is the time for you to start to invite the nonbelievers to come for this Camp. Thank God for sending Pastor Boli Zhang to be our speaker. From San Jose, the Chinese Church in Christ—South Valley will send a mission team to assist us. Please remember this Camp in your prayers.

By the grace of God, more and more students come to this country to study. God has turned their hearts to Him. Thank God for sending so many people to our different meetings. Last year we found that our facilities are not enough for such increased crowds. In the past two years, we had to turn some people down or make the registration deadline earlier. Nobody likes that. We are praying for a new 8-room dormitory to house 40 people. It will cost around \$100,000. Please pray that the Lord will supply the need so that more people will be equipped to serve Him in this country and all over the world.

Thank you for coworking with us and praying for us. God bless you!

In Him
Billy
Pastor and Director
